**KUTIA / SWEET WHEAT BERRY PUDDING**

The dish resembles porridge or sweet grain soup and is served either warm or cooled to room temperature. Dried wheat berries are simmered for several hours in water with a bit of salt until soft but not falling apart. The poppy seeds and honey are added to the berries after the cooking is complete. Sometimes the poppy seeds are soaked or boiled and then ground, but in many versions of the dish they are left whole. Modernized recipes are sometimes baked after the cooked wheat berries are mixed with the other ingredients.....
